2. Background: [REDACTED] is a Program Monitor for the General Defense Intelligence Program (GDIP). The proposed travel would permit him to visit GDIP units and activities in Europe, which he has not yet had an opportunity to do. Travel of this kind is essential for a Program Monitor to establish and maintain the expertise needed to perform his duties. The itinerary includes visits to the most important GDIP activities in the theater, and should be of significant benefit to [REDACTED] the Program and Budget Staff. (U)
